Kolkata - 700090

SUMMARY

I am a progressive and determined B.Tech student majoring in Computer Science and Engineering with a specialization in Artificial Intelligence and Machine Learning. My passion lies in leveraging advanced technologies to solve real-world challenges. I have developed a diverse skill set in programming languages such as Python and Java, as well as frameworks and tools relevant to AI/ML. I am eager to contribute to impactful projects while growing professionally in a dynamic environment

EDUCATION

B.Tech - Computer Science & Engineering (AI & ML)

University of Engineering and Management

08/2024 Kolkata, India

Higher Secondary (10+2)

Khalsa Model Senior Secondary School

04/2022 - 04/2024

Secondary (10th)

Don Bosco School, Liluah

04/2022 - 04/2022

LANGUAGES

Bengali

Native

English

Native

Hindi

Proficient

KEY ACHIEVEMENTS

Inter-school Singing Competition Achievement

Secured 2nd position in Inter-school Singing Competition (2018)

SKILLS

Gmail NLP Python Java HTML

NLTK Scikit-Learn TensorFlow

Keras Pandas SpaCy

Jupyter Notebook Visual Studio Code

PyCharm Sentiment Analysis

Deep Learning CSS JavaScript

RDBMS

PROJECTS

AI-Powered Cyberbullying Detection in Social Media

01/2025

Using NLP & Sentiment Analysis to address issues of cyberbullying on social media

- Developed an AI-based system utilizing NLP and Sentiment Analysis to detect and classify cyberbullying content in real-time social media posts
- Designed an end-to-end ML pipeline for collecting and cleaning social media text data
- Implemented sentiment-based filtering for emotional tone analysis and contextual understanding
- Engineered a scalable, customizable system deployable across multiple social media platforms

Railway Reservation System

01/2023 - 12/2023

A project focusing on creating a relational database schema for a railway reservation system

- Built a fully functional Railway Reservation System using Python and MySQL
- Implemented core features including ticket booking, cancellation, and real-time seat availability management

INTERESTS

Hobbies & Interests

Hobbies include Singing, Playing Football, and Drawing
